YOUR DATA, IN PLAIN WORDS

Privacy Policy

Last updated: 19 October 2026

We only collect what we need to make, send and invoice your order. We don't sell your data, we don't run ads that track you, and this website uses no tracking or analytics cookies.

1 Who is responsible

Julia Bober ("I am just a girl"), Trabalhador Independente · NIF 330811525
Av. da República 2250, 8W, 4430-196 Vila Nova de Gaia, Portugal
iamjustagirl.pt@gmail.com
Julia Bober is the data controller under the EU General Data Protection Regulation (GDPR). For anything about your data, write to the email above.

2 What we collect

- **When you order:** your name, email, phone number, delivery address, and anything you choose to add at checkout (InPost locker code, NIF, gift note), plus what you bought and how much you paid.
- **Payment details:** entered directly on Stripe's secure page. We never see or store your full card number.
- **When you write to us** by email or Instagram: your name, contact details and your message.
- **Your bag:** saved only in your own browser (local storage) so it's still there when you come back. It never reaches us until you check out.

3 Why we use it, and on what legal basis

- **To make and deliver your order** and answer questions about it: needed to carry out our contract with you (GDPR art. 6(1)(b)).
- **To issue your invoice** and keep accounting records: required by Portuguese tax law (art. 6(1)(c)).
- **To handle returns, guarantee claims, complaints and payment disputes**, and to prevent fraud: our legitimate interest in running the shop safely (art. 6(1)(f)).
- **To answer your messages:** our legitimate interest in replying to you, or steps you ask for before ordering (art. 6(1)(b) and (f)).

We don't send marketing emails. If we ever start a newsletter, it will be opt-in only.

4 Who we share it with

Only with the services we need to run the shop, and only what each one needs:

- **Stripe** (Stripe Payments Europe Ltd, Ireland): takes your payment and checks it for fraud.

- **InPost**: delivers your parcel and sends you tracking messages.
- **Autoridade Tributária** (Portuguese Tax Authority): receives the invoice details, as the law requires.
- **Cloudflare**: hosts this website and protects it from attacks. It processes technical data such as your IP address.
- **Google**: our email (Gmail) and the fonts on this website (Google Fonts), which means your browser connects to Google's servers and shares your IP address.
- **Meta**: if you contact us on Instagram, under Instagram's own privacy policy.

Some of these companies may process data outside the EU, for example in the United States. When they do, they rely on the EU–US Data Privacy Framework or the European Commission's standard contractual clauses to protect it.

5 How long we keep it

- **Invoices and accounting records:** for as long as Portuguese tax law requires (currently 10 years).
- **Other order details** (such as your phone number, locker code and gift note): up to 3 years after delivery, the length of the legal guarantee, then deleted.
- **Messages** that don't lead to an order: up to 1 year.

6 Cookies

This website doesn't use advertising, analytics or tracking cookies. Your bag is saved in your browser's local storage, which you can clear at any time. When you go to checkout, Stripe's payment page may set its own cookies, needed for secure payment and fraud prevention.

7 Your rights

You can ask us at any time to:

- see the data we hold about you, and get a copy;
- correct anything that's wrong;
- delete your data, unless the law requires us to keep it (for example, invoices);
- limit how we use it, or object to uses based on our legitimate interest;
- receive your data in a format you can take elsewhere.

Email iamjustagirl.pt@gmail.com and we'll reply within one month. If you're unhappy with how we handle your data, you can complain to the Portuguese data protection authority, CNPD (cnpd.pt), or the authority in your own EU country.

8 Children

Our shop is not aimed at children, and we don't knowingly collect data from anyone under 16.

9 Changes

If we change how we use your data, we'll update this page and the date at the top.
